CORONAVIRUS UPDATE

Paxtang Borough continues to closely monitor the current outbreak of Covid-19, the novel coronavirus. On March 16th, Mayor Sheilah Borne Fuller declared a disaster emergency for Paxtang. The Borough office remains open but closed to the public, if anyone needs to contact the office, please do so by phone.

The playgrounds and pavilion have been temporarily closed but the parks themselves remain open to the public; this is to help limit the spread of the virus, especially on surfaces such as the playground equipment.

The response to the virus is constantly evolving. As of the print deadline, everything in this edition of the Paxtang Post is current. However, due to the response of the virus constantly changing day to day or even by the hour, residents are encouraged to follow the Borough’s website and Facebook pages as well as the news in general.

Below you’ll find some government agencies that can help provide you with the resources and information you need during this outbreak. We hope all residents remain safe during these unique and difficult times.

Dauphin County Commissioners Encourage Residents to Vote by Mail

In a press release on March 20th, the Dauphin County Commissioners released the following statement: casting a mail-in ballot for the April 28 primary is urged for residents concerned about COVID-19, especially for the elderly or those with respiratory or immune system issues.

Anyone can vote using a mail-in ballot instead of going to the polls – no excuse or reason is needed.

“Due to the concern that public gatherings can help spread the coronavirus, we want residents to know how to apply for mail-in ballots,” said Commissioners Jeff Haste, Mike Pries and George P. Hartwick, Ill. “Voting by mail is a safe and secure alternative.”

To vote by mail:

- Visit www.DauphinCounty.org/vote for a link to download a mail-in ballot application or go to www.VotesPA.com/ApplyMailBallot to apply online.
- To apply online, you must enter a valid PA Driver’s License or PennDOT ID number.
- Voters without proper ID need to download the application and use the last four digits of their Social Security number.
- Mail applications to: Dauphin County Bureau of Elections and Voter Registration, P.O. Box 1295, Harrisburg, PA 17108-1295.
- Applications can also be dropped off in a locked box outside the entrance of the Dauphin County Administration Building, 2 South 2nd St, Harrisburg, PA 17101.
- Important deadlines to use mail-in ballots for the April 28 primary:
  - 5 p.m. Tuesday, April 21: Deadline to get completed mail-in ballot application to the county election office.
  - 8 p.m. Tuesday, April 28: Deadline to return voted mail-in or absentee ballot.

As of March 20th, the office has processed more than 3,000 applications for absentee or mail-in ballots. If any of these individuals, especially college students, have changed their address, please contact the office at 717-780-6360 or election@dauphinc.org. Please include name, date of birth, driver’s license number, previous address and new address.

Also, the new voting system training sessions that were to be held throughout the county in March and April have been postponed until further notice. For more information, visit www.DauphinCounty.org/Votes

Reminder to Rental Unit Owners/Management Companies

If you own or manage a rental property with one or more residential units, you must submit the names of the tenants within 30 days of any change. If you are unsure if you have submitted the current tenant names for your rental property, you may find the “Status of Occupancy Report” form on our website at www.paxtang.org/services. You may submit it by email or mail to the office, to ensure we have updated information. This is most important for verifications of addresses, important notifications to residents for a variety of issues in the immediate area, and especially in an emergency situation. Thank you for your cooperation.
The Swatara Twp Police Department hosts monthly “Coffee with a Cop” meetings to provide community members an opportunity to sit down with the Director of Public Safety, Darrell Reider, along with other police officers from the department, to talk about problems or issues that come up throughout Swatara Twp and Paxtang Borough. Residents are encouraged to attend to stay informed about public safety and events.

The Paxtang Shade Tree Commission will be looking at new trees to be planted and removed this year. The Commission will also be conducting routine inspection of trees and ground level pruning.

A number of trees were removed and trimmed this past year and new ones were planted. Residents can arrange to have an honors tree planted to recognize a happy event in the family or someone who has passed away. The fee of $250.00 includes the tree, plaque and certificate.

The Shade Tree Commission is always looking for volunteers to either serve on the commission or help with inspection of trees and ground level pruning. Our Volunteers help to ensure that we maintain our trees in the Borough.

Please remember to not let ivy grow up the trees in front of your residence. Ivy can kill otherwise healthy trees!

Please let us know if you’d like to have a shade tree at your property this spring, or if you’d like to arrange for an Honors Tree to be planted in memory or honor of a loved one.

The Paxtang Shade Tree Commission is comprised of volunteers from the community who give their time to tend to Paxtang’s urban forest. Volunteer members maintain an inventory of all the trees in the Borough, decide which trees to plant and which to remove, conduct regular pruning and maintenance to ensure the health of the trees and safety of Borough residents.

DON’T FORGET A BUILDING PERMIT

Building/Zoning Permits are required by law. These regulations are established for your safety, your neighbor’s safety and future owners or tenants of your property.

You must contact the borough office, to submit a permit application (forms available on our website or in the borough office), or if you have specific questions which may be directed to our Building Codes and Zoning Officer.

Generally speaking, the following most common maintenance or home improvement projects require a permit:

• Any structural change to your home interior or exterior. This includes New Construction changing a door or window frame size, shape of the roof, closing off or opening of a room, front porch post replacement and sometimes repair, which supports the roof of the porch, deck additions or porch expansions.

• Fences or structures on your property. This could impact underground and/or stormwater runoff issues. PA One calls are a MUST before you dig holes for fence posts or foundations, etc. as you may be unaware of infrastructure (primarily to not disturb any gas, water or sewer lines under the ground)

• Plumbing and Electrical work

• Sidewalk changes or repairs

The above examples are included, but not limited to permit requirement. Please visit our website under https://www.paxtang.org/buildingpermits or contact the borough office, for more information about Building and Zoning in the Borough of Paxtang, and for the Schedule of fees associated with the permits.

Costs for businesses are $40 Per Issue, or 4 issues for $140. For current residents, costs are $20 Per Issue, or 4 issues for $70. There is a 15% discount for customer provided artwork. No charge for non-profit organizations located in the Borough or primarily serving residents.
